

# B&B DE MEERLAAN

Welcome!

We are Sjors and Melissa Kraaijvanger, since 2017 the proud owners of this beautiful home in Medemblik. We live with our family on the ground floor of this house.

We transformed the first floor, with its own entrance, into a beautiful B&B with 2 separate bedrooms and shared living.

We welcome you as a guest in our B&B, which is within walking distance of the Center of Medemblik.

Enjoy this beautiful city, with a great history and many things to see and discover!

The B&B consists of a modern, shared room with a bar, seating area and dining table. There are two bedrooms with each two 1-person box springs and a private toilet, sink and shower. You can choose to reserve one bedroom, or the whole residence.
